
A Guide To

Google Classroom at Waterfield

How to access and use Google Classroom

1) Click on the Google Chrome browser icon

2) Go to www.classroom.google.com

3) Enter email address (as it appears on the digital card) – this is their username they use to access the school computers with @waterfield.org.uk (don't worry this looks like an email address but it isn't!)

4) Enter password (will be on the digital card) – the one they use to access the computers at school

5) You then need to click on your current class – it will have 2020 in the title (there may be 'old' classes from previous years)
