

THE FOLLOWING LETTER IS BEING SENT TO NURSERY PARENTS IN ORDER TO SUPPORT A PHASED TRANSITION FOR OUR YOUNGEST PUPILS. This will begin March 8th 2021.

Letters will be posted on 02.03.21

Please contact the School Office with any Questions.

Dear Nursery Families,

As you are aware Waterfield will be aiming to re-open to more children from the 8th March.

In order to support the transition of our Nursery children back into school we will be conducting a 2 week transition timetable. This will enable staff to work with smaller groups of children, for the children to build up their confidence and for staff to assess changes in behaviour after the lockdown.

The hours for your child(ren) over these two weeks have been allocated as follows:

Child(ren): _____

W/C 8th March

Hours: _____

W/C 15th March

Hours: _____

From the 22nd March your children will go back to their normal allocated hours – please speak to Mrs Carter to remind yourself of what these hours are/were if you are not sure.

We thank you for your kind patience and assistance in helping us get Waterfield running safely and with the best interests of our children in mind.

Please remember that whilst schools are going back to some normality we are still amidst the pandemic, as a result staffing levels will remain critical and ALL families attending school will be required to adhere to Social Distancing and if required may be asked to isolate.

Kind regards,

Waterfield
